

WINCHESTER MONTHLY MEETING MINUTES

1925-1929

Notes to the reader about the transcription of these minutes:

While most of the grammar, spelling, and abbreviations were kept as close as possible to what is handwritten in the original Preparative Meeting Minutes, corrections and changes have been made to improve the readability of the minutes. Curly brackets are used to surround words or parts of words that the editors could not read or decipher: { ? }, {?ene}, {Parkin?}. Curly brackets are also used to enclose editorial notes and changes made by the editors.

Parentheses are shown as they are found in the original minutes.

Blanks in the text are shown as they are found in the original minutes.

The spelling of names has been corrected wherever obvious misspellings have been found. Otherwise, the names are spelled as they appear in the minutes. Please note that sometimes several variations of the same name do occur.

Corrections and clarifications to people's names will be welcomed by the editorial staff. The goal is to make these minutes clear, accurate, and above all, useful to the reader.

Sunday School Report: from February 1, 1925 to February 1, 1925.

Secretary's Report:

The total attendance for the year was	8,482
The average weekly attendance was	163

The largest weekly attendance was Rally Day, October 5 - 445. The smallest weekly attendance was February 17, 1924 - 63. This is just a slight decrease in attendance, covering the same period of last year. The school in the main has been well attended by the members of the church, together with a large number not belonging to the church. The different departments of the work have been continuously represented in a harmonious and beneficial manner.

Faithful and continuous efforts by the officers, teachers and general management of each department of the school has contributed very much to its success. The orchestra has rendered splendid service, increasing the interest and success of the school. Lesson helps have been carefully selected and revised, from time to time, to suit the various departments and general needs of the school.

* {see minutes of April 7, 1926} The Meeting regrets to note that on the morning of December 27th, 1925, we suffered a serious loss by fire in the church building, which completely destroyed the organ, did very serious damage to church furniture, carpets, piano, walls, and ceiling, entailing a loss of near \$8000.

We have been offered the use of the Circuit Court room, free of charge, by the Judge and officers of the Court, and have accepted the same for a place for holding service until the church can be repaired; a kindness which we much appreciate.

Our sister churches of the city have generously offered us the use of their church buildings for our coming Quarterly Meeting, and in many ways express their sympathy for us, in our misfortune.

Winchester Monthly Meeting of Friends convened in the church Feb. 3, 1926, to transact such business as should properly come before it.

In the absence of the Clerk A.E. Farquhar, Rachel Hutchens was appointed to serve in that capacity.

The opening minute was read, followed with prayer by Frank Cornell. Minutes of previous Meeting were not read as none were on the table.

The committee appointed to call on Mr. and Mrs. Maynard reported their call made, their duty done. The committee to call on and welcome Luther Kimmel was not ready to report.

The committee for revising the names on church book and sending letters to {those} who have not attended the various meetings, were under the impression that their work had been turned over to the Monthly Meeting. Decided to leave over until next Meeting.

Delegates selected to attend Quarterly Meeting were as follows: Sue Mills, Mattie Harmon, Lou Keys, John Pickett and Frank Cornell.

The Treasurer, Fred Fixel, gave a brief report of the finances as follows:

Amount carried over	\$10.00
Amount collected	\$822.00
Disbursements	\$774.55

leaving a balance of \$58.57 in treasury.

Mr. Cornell suggested having some one special for the reopening of the church.

There being no further business, Meeting concluded to meet in March, same time and place.
Rachel Hutchens, Clerk pro tem

A satisfactory report was given by the committee appointed to welcome Luther Kimmel as a member. It was decided the report of the committee on revision of names should be continued indefinitely. Mrs. Sue Mills gave a good and interesting review of the Quarterly Meeting which convened in Muncie in February.

A notice from the Clerk of Wilmington, Ohio Meeting, transferring Cordelia McCamish's membership to this Meeting, was read and accepted and it is the wish of the Meeting that Minnie Swank and Irene Davis call upon her and tender an acceptance and welcome.

The special business being finished, there were a few general remarks in regard to the church repairs and disposal of the old piano. The Trustees will allow the Quaker Girls \$50.00 of the insurance to apply to the purchase of a new piano, they are buying for the church.

Meeting then concluded to meet at same time and place in April. Closing prayer by Frank Cornell.

Winchester Monthly Meeting of Friends held April 7, 1926, was opened with prayer by John W. Pickett.

The minutes of the March Monthly Meeting were read and approved.

At the suggestion of Fred Fixel, the Clerk was instructed to amend the minutes of January 1926, by inserting therein mention of the fire which occurred in the church building, on December 27, 1925.

The following resolution in recognition of the work of the Trustees of the church in the remodeling and repairing of the church building and its furniture and contents, after the damage caused by the recent fire, was unanimously adopted by the Meeting.

{the typewritten resolution appears on the page following the next, unnumbered, blank page; it has been inserted here}

We, the members of the Friends Church of Winchester, Indiana, feel that we owe to the Board of Trustees, namely J.W. Chenoweth, Thomas F. Moorman and Luther Mills, a debt which is both hard to estimate and hard to pay. It appeared to us during the dark days of December when our church was ravaged by fire that we were punished far beyond what we deserved. For years we had been struggling along barely meeting expenses when they occurred and felt that this loss was more than we could stand.

However through the efforts of our Board of Trustees and through their sagacious negotiations and by their prudence and skill in making repairs and in the buying of new equipment, especially in the purchase of the new pipe organ, the darkness was banished and we feel that you have done some wonderful work.

We realize that you have put your duties as Trustees ahead of your personal enterprises and we know that it has caused you no end of time and trouble to try to please us. We have noticed and wondered why you held counsels every evening and felt that something might occur that you could not conquer but you have shown your superiority to all obstacles which have confronted you and have proven your worth.

As a result of your untiring efforts and your skill in handling the financial end of this situation we now have a beautifully re-decorated church, equipped with a new pipe organ and other accessories, and all without involving the membership of the church in any way, and we now feel that the

Friends Church of Winchester, Indiana is ready to accomplish some great work this year.

BE IT THEREFORE RESOLVED:

That we extend to you, our Board of Trustees, our sincere thanks and hearty appreciation of all your work and hope that the Almighty Father will reward you fittingly for your untiring efforts in trying to satisfy us.

Signed: _____

The Meeting notes with feelings of great pleasure and thankfulness that on Easter Sabbath, April 4th, 1926, we were permitted to return to our church home, which has been repaired beautifully and put in perfect order, for the first service therein, after the fire of Dec. 27, 1925. What seemed at the time of its occurrence, a calamity, now we view in the light of a blessing as through the efficient management of our Church Trustees, we now return to a better and more beautiful house of worship with no obligation of indebtedness resting on the congregation occasioned by the cost of repair.

Frank Cornell reported having received from John D. Miller, a donation of \$25.00 for the rebuilding fund, and suggested that it be returned to Mr. Miller, with the request that he reduce the amount to \$10.00.

It was directed by the Meeting that all funds collected by the Music Committee for the organ, be paid to the church Treasurer.

The Treasurer reported the amount of the special collection taken to defray the expense incurred during the time service was held in the Court Room, as \$20.00, Disbursement of same,

Charles Hatfield, Bailiff	\$10.00
Abner Davis, Janitor	\$10.00

Mr. Hatfield declined to accept pay for his services, and donated the \$10.00 to the church.

A number of those present spoke concerning the decorum which should be observed during the time of public service, and it was the sense of the Meeting that a spirit of due reverence should be manifested while within the house of worship.

There being no further business the Meeting adjourned to meet at the usual time, in next month.

I spent 7 days at Richmond attending the sessions of the Five Years Meeting and the Peace Conference.

We have made about 75 pastoral calls beside giving considerable time in extending invitations to people to attend the services of the Church.

Have driven between eight and nine hundred miles the past month in pastoral calling, attending the Five Years Meeting and for our own personal convenience.

Spent one half day painting the garage.

Have written about 20 letters.

Am at the present engaged in a series of revival meetings at the Muncie Friends Memorial Church. Will give a full report of this work at next Monthly Meeting.

I am so sorry to note a drop in the attendance for the last two Sunday Mornings. The Sunday Evening Services seem to hold up better as we have had a larger number at each evening service than at the corresponding Morning meeting.

{end of the Pastor's Report}

A suggestion that we appoint a head usher was discussed. The motion was carried that we leave this matter to the ushers themselves to select their head usher.

The following were appointed as delegates to Quarterly Meeting: Jennie Miller, Alice Kabel, Ida Bailey, May Robinson and T.W. Hutchens.

The motion was carried that our Clerk write a letter of appreciation to Joe Hamilton expressing our appreciation of the work and services rendered in the building of the garage at the parsonage.

The suggestion was made that but a few members read the American Friend. A motion was then carried that Jennie Miller read her article published in the American Friend at our next prayer meeting.

There being no further business, the Meeting adjourned to meet at the usual time and place next month.

The Pastor's report for the past month was then read. This report contained a full statement of his activities for the past month and also a suggestion that we have a sunrise prayer meeting and breakfast Christmas morning. This matter was discussed by the Meeting and as many of the classes of the Sunday School had other plans for carrying out their work, it was decided best not to have this meeting. I gave 20 sermons and addresses.

Three of these were at funerals.

Dempsey Harbour, Annie Hinshaw and Grace Perkins.

Two sermons given at Quarterly Meetings - Winchester and New Garden. Five were given at Muncie the first week of their Evangelistic Services. One Address at the County Sunday School Convention held at Winchester. One at the Union Thanksgiving Service held at the Christian Church. The remainder were given at our regular Sunday Services.

In addition to these, Rev. Fred Smith preached Quarterly Meeting Sunday Morning and Rev. Mollie Nichols Cox at the Saturday morning meeting of Quarterly Meeting, and Rev. Tom Wisenborn of Lynn, preached last Sunday Night in the absence of the pastor.

I attended 6 sessions of the Sunday School Convention.

Taught one Bible Class and spoke before 2 or 3 others on as many different occasions in our Bible School. Attended one missionary meeting, three teachers meetings and one Bible School Class social. And performed two wedding ceremonies and attended 47 services and engagements in all, and made pastoral calls the past month.

I spent half day cleaning out the basement of the parsonage getting ready for the men to fix the steam heating plant, then took a half day off and went rabbit hunting with Mills.

Spent one day taking Mrs. Carter to Montpelier, enroute to Michigan to be with her mother during a serious illness on the part of the latter. We spent Thanksgiving with Father Carter and also several evenings and dinners. Thomas Mills and I have done our own house work and cooking while at home during the past two weeks, and we think it would bear inspection - most of the time.

I have been doing some personal work among the pupils of 3 or 4 Bible School Classes in an effort to interest them in a junior choir. We had our first practice one week ago this evening and another one this evening. We have arranged for them to practice at 6:30 each Wednesday evening so it will not be necessary to heat the church an extra time.

{hand-written}

Sorry I cannot be present at Monthly Meeting.

I would like to see us have a Sunrise prayer meeting and breakfast for the young people Christmas Sunday morning.

{end of the Pastor's Report}

794 Grand Total Month.

We have had 8 preaching services. At one of the morning meetings we had an Anti-Saloon League representative with us. This was a co-operative movement on the part of the churches of this city. Two of the prayer meetings were quite well attended. There were about 30 present and about 7 present at the lowest. A good interest has been manifested at these meetings. There has been a noticeable increase in the number of vocal prayers in public worship.

The Adult Choir, under the leadership of Marthann Payne furnished the music for the Christmas Sunday Morning service, and the Junior Choir under the leadership of Frances Robinson, the music for the Christmas Sunday Evening. Both groups rendered beautiful and appropriate music for these occasions. The people were well pleased and thankful.

The Bible School is doing good work and a good interest in manifested. The Teachers meetings are being held regularly. These meetings are a source of much help and inspiration to the teachers.

I had 2 funerals. Showed Bible pictures one Sunday Evening after the sermon - once to a class of boys during the Bible school hour - once for the Primary Department Christmas program - then again out at the Moorman Children's home. I spent 3 days of the present month at Washington, D.C., and the most of a week helping with the repair of the pipes and steam heating plant at the parsonage. I have made 61 pastoral calls the past month.

Mrs. Carter has been sick for the past week.

I would like to suggest that we need a leader for the S.S. orchestra who can and will give this organization some time and practice. We have a number of young people who would help with the music if they could come together in rehearsal.

The Missionary meeting was held during the month of December but the Messenger Society meeting was postponed until the January date.

Frederic E. Carter, pastor.

{end of the Pastor's Report}

A request for transfer of membership of John W. Wentz, Carrie Wentz and Edna B. Parker from Winchester Monthly Meeting to First Friends Church of Richmond, was read. The Meeting unanimously granted this request, although expressed its regret at losing these members.

Rev. Carter brought before the Meeting a suggestion that we unite with the Methodist Church on January 15th for evening services, to hear a lecture given by Dr. McIntire of New York. The Meeting consented and approved of this plan.

The pastor gave a very interesting and helpful talk to the Meeting.

There being no further business, the Meeting adjourned to meet at the usual time and place next month.

Winchester Monthly Meeting of Friends was held Feb. 1, 1928 and was opened by prayer by John W. Pickett.

The minutes of last Meeting were read and approved.

The Pastor's report of work done for the past month was read and very much appreciated by the Meeting.

{the typewritten Pastor's Report originally appeared on a separate piece of paper and is inserted here into the minutes}

My Pastoral calling has taken me into about 60 homes the past month, and we have made 85 calls all told during that time. I have preached 22 sermons. 16 of them at Jericho and 7 at Winchester. I spoke once before the Rotary Club, and once to the men at the Overmeyer Mould works. I received a hearty reception at each of these places.

We had a Union Meeting at the Methodist Church one of the Sunday Evening services. A considerable number of Friends were present. On another Sunday Evening the Junior Choir rendered the music and the Quaker Girls had charge, one of which (Mrs. Martz) officiated and Mrs. Jones gave a reading. We are happy to believe that this kind of service is a good thing for our young people. At the time of this service I preached at Jericho. Much credit is due Miss Frances Robinson for her faithful work with the Junior Choir. I attended one of the sessions of the Quarterly Meeting conference held at Farmland.

Have had charge of one Funeral (Hinshaw) and attended the Pierce funeral.

The Prayer meetings have not been very well attended during this cold weather. Also our regular services have fallen off in the attendance.

I am still in the Meetings at Jericho. Considering the weather conditions we have had very good attendance. A good spirit of unity seems to have been the main thing accomplished in these meetings. We are also glad to report that so far one young man has been converted.

As I am to be at Jericho next Sunday Night, I am wondering if this Meeting would like to dismiss and attend out there in a body. I am quite sure they will return the visit, and bring their young people in and give us an evening of splendid Gospel music.

Sincerely,

Frederic E. Carter

P.S. I might add that I have been getting acquainted with Winchester Mayor, and also your police force.

The Primary Dept. has contributed \$3.90 for our budget.

In October the Missionary Society sent two delegates to the Woman’s Missionary Union of Friends in America which was held in Indianapolis.

We have studied this year “A Straight-Way Toward Tomorrow” which has been interesting as well as instructive. Several letters have been read from our missionaries on the field. We have also read and studied each meeting something about our own missionaries and the work they are doing. \$102 has been sent to the United Budget.

After much discussion it was moved and seconded that our Treasurer be instructed to pay this \$64.00 to the committee in charge of the building of the garage at the parsonage. Motion carried.

A motion was made that the Chairman of the Finance Committee make a report at next Monthly Meeting, which motion was carried.

PASTOR'S REPORT FOR THE MONTH
ENDING MARCH SEVENTH 1928

{handwritten} 35 Services

Preached 18 Sermons.

7 of them at Jericho
1 at West Milton, Ohio
1 at Harrisville
2 Funerals and assisted at 2 others
1 Wedding
9 Sermons at this church
3 Prayer Meetings

1 Kiwanis Address - met a fine company of men and was given a hearty reception. This is the second time I have been with this club and once before the Rotary.

Was called upon to give the devotional exercise at the farmers institute held recently at the McKinley school building.

I attended the Religious Chautauqua 4 nights at Farmland. On Wednesday night we dismissed our prayer meeting and several car loads of people went over. We took the Junior Choir and they furnished part of the music. They were well received, in fact they were enthusiastically received.

I gave a short talk at the Messenger Society meeting on the formation and organization of Friends meetings. I attended 2 teachers meetings and Mrs. Carter attended one Missionary meeting.

I attended 3 sessions of Quarterly Meeting and gave a message at the Quarterly Meeting on Ministry & Oversight.

At the last night of the revival meetings at Jericho, our church here dismissed their services and about 85 or 90 people attended out there. It would be difficult to compute the results of the revival effort at Jericho. But I might say that there were several young people at the altar and received definite blessing. On the last Sunday morning we had 6 young men at the altar. One of the happiest experiences of my humble ministry. It also seemed that the church there was strengthened and that a greater oneness of spirit was developed.

One girl, Mary Marjory Dudley, came forward at one evening service here and publicly confessed Christ. Others have expressed to me their desire to become Christians. These are the only visible results we have seen as a result of our humble, but most earnest efforts since being pastor of this church.

Last Sunday evening we began a class for the purpose of training such boys and girls as we hope to prepare for church membership in the near future. It seems that quite a number who are associates should be brought into active membership. But we feel that they should understand more of what it means to do so. In this work I feel very greatly the need of an assistant to visit all the homes of these boys and girls and help bring this important work to a successful conclusion. Especially do I feel this need since it will take all of my time to organize and put on the week of prayer prior to the week of special meetings and do the preaching during this series of meetings.

The plan which I hope to carry out is as follows.

I want to divide the town into sections, and have some one or two persons in each section who will be responsible for securing permission to hold prayer meetings for Monday, Tuesday, Wednesday, and Thursday nights. Each night in a different home in their section. These leaders to either lead these meetings or secure some one else to lead the meetings. I hope to have six of these leaders, one in each section.

Then on Friday night all the people of these different sections come to the Church for a united prayer meeting. This will be not only a great spiritual foundation for the revival, but will be about the best advertising we could possibly give to the week's meetings at the church which will follow.

These sectional prayer meetings to begin on Monday evening March the 26th, and the Revival effort to begin Palm Sunday, April first and continue over Easter Sunday the eighth of April.

We have made 135 calls since last Monthly Meeting.

PASTOR'S REPORT

This has been an unusual busy month with 15 sermons, 14 prayer meetings, 2 funerals and 2 weddings. During this time we have held a series of prayer meetings in the homes in different parts of the city and this was followed by a week of evangelistic services in the church.

Five services were held for the children and young people. We had a total attendance at these meetings of about 250. About 60 of these children, some of whom were of high school age, were led to pray and accept Christ as their personal Savior. Several mothers who were present received definite blessing for themselves and expressed their approval of the methods used and results among the children.

A total attendance at the evening meetings during the revival amounted to 930 and an average 132 each night. Several persons received definite blessing and the church generally strengthened and helped.

We have the following names of persons who have requested membership:

<u>Active Membership</u>	<u>Associate Membership</u>	<u>From Associate to Active Membership</u>

Earlham College Peace deputation had charge of one Sunday evening service.

The Messenger Society of the church had charge of one Sunday evening service.

I gave a short talk at a meeting of the county W.C.T.U. and a devotional service in the court room when a Lincoln Tablet was presented by the daughters of G.A.R.

We had 2 sessions here on Religious Education with Miss Nellie Young, State S.S. Worker present. Mrs. Maude Carter Smock had charge of the children's meetings and gave a message at the Wednesday evening prayer meeting of the week of prayer.

Rev. Thomas Weisenborn and wife gave splendid service in song during the week of special meetings. The Jericho, Bear Creek Friends also co-operated helpfully during the meetings.

The average attendance for the month at the morning services was 131 and for the evening services 113. We have had an average of 91+ at the evening services since January, and before Christmas an average of about 125, this makes an average at the Sunday evening meetings of about 110 since beginning them last October.

The Kiwanis Club of the city conferred an honorary membership. I gladly accepted this because I feel this is a medium through which I can serve this community.

I have been called to preach the Baccalaureate sermon for the Lincoln and McKinley Schools, Sunday April 17th at the church. Also the graduating class of Winchester High School has asked me to preach their Baccalaureate sermon here Sunday evening, May 27th. We have 70 calls during the past month.

Three Prayer Meetings - These meetings have not been very well attended.

During the past month I have made three trips to Richmond. On two of these occasions I spent 2 days there. One time I attended 4 sessions of a conference between the pastors and college faculty discussing the question of declining membership in our Yearly Meeting and why the Earlham graduates do not come back into the meetings to take active and helpful part in the work of the Bible School and Church.

The Second occasion was a Call of a Sub-committee to which I was appointed to make further investigation along the same line.

In my last report I mentioned the fact that I had been voted a complimentary membership in the Kiwanis Club. At a later meeting I was elected the chaplain of this club. I have attended 3 meetings one of which was the district banquet when there were 360 men present. This affords me an opportunity to know a larger circle of men of the town, and the club is a medium through which I feel that I can contribute some service to the community.

I spent considerable time driving the representative of the Five Years Peace Committee around in the interests of the work of the Peace Contest.

I assisted in building a new fence on north side of parsonage lot and along alley, and also tore down old grape arbor and built a new one. Have the lot about all planted to garden and berries, all of which seems to have pleased the neighbors.

I attended the Presbyterian Vesper Service once. Gave the devotional service at a Sunday School Convention at Maxwell. Attended Missionary and Messenger Society meetings, preached one funeral and the Lincoln and McKinley High School Baccalaureate sermon. Attended 2 ministerial meetings arranging for the Vacation Bible School of Winchester. Owing to the shortness of the month, and the time spent at these Richmond conferences and various outside interests, I can only report about 45 Pastoral Calls.

The Treasurer reported only \$26.60 collected on the Yearly Meeting stock due. The Meeting favored the plan of this amount still due being raised the following Sunday.

Mrs. Carter asked to be relieved as chairman of the Peace Committee and Edna Wolf was appointed to fill this vacancy.

There being no further business, the Meeting adjourned to meet the first Wednesday in next month. Closing prayer by John W. Pickett.

I preached the Baccalaureate sermon for the City High School - Preached the Ascension Day Sermon for the Knights Templar's - Mother's Day Sermon - Memorial Day Sermon - Childrens Day Sermon - Was invited to give the Memorial Day Address at the Methodist Church on Decoration Day and a Sunday School Convention address at Poplar Run Church, both of these invitations I declined. I also declined an invitation to speak on Decoration Day at White River.

I attended three sessions of our Quarterly Meeting at Muncie, seven sessions of the Short Course at Marion and the High School Baccalaureate Service for the Union City Graduating Class. Attended Class Play and Commencement exercises of the graduating class of our High School. I spoke before the Kiwanis Club at Portland and attended four Kiwanis Meetings of our Winchester Club, and was guest at one Rotary {Club} Meeting.

I have been asked by the local Kiwanis Club to go as delegate to the National Convention to be held in Seattle June 18 to 22 expenses for the entire trip to be paid by the local club. This will necessitate a supply for

two Sundays and I would be glad for the Pastoral Committee to arrange for speaker for these two Sundays as I will find my time filled before I start.

2

One very interesting feature of the activities of the month was a uniting of the Sunday School and Church service. A short sermon was given and the Junior choir and orchestra rendered the music for the occasion. The cradle roll department had a short service during this period. There were 223 present and all seemed to enjoy this change and voted to have this kind of a united service once a month. I think this proposition should be considered by the Monthly Meeting.

The Prayer meetings for the most part have been small. However the one last week was well attended. I think this was partly due to the fact that it was Decoration Day and everyone thought it would be unusually small, therefore decided to attend. Hail to Decoration Day.

The Junior Choir practice has been discontinued for the summer, but it will be re-organized next fall and plans are being made to make it a bigger and a better choir than before.

I have made 86 Calls during the month and held and attended about 45 services and engagements. The following is an attendance record for the year-to-date.

Evening Service from Oct. 1st, 1927 to Jan. 1st, 1928:

The Average was about 137 including one night during December when the attendance fell below 100, and also includes the night of the musical program when we had present about 500. The attendance at the morning services during the same period was about 125.

Evening Service from Jan. 1st, 1928 to June 3rd, 1928:

Average attendance by careful count 139. This includes all the small crowds during bad weather, and also the larger audiences at the Baccalaureate services and the Children's Day exercise of last Sunday night. The Morning Service for this same period averaged 124.

The Messenger Society reported at their last meeting 113 calls and 11 bouquets given. This society has ordered a monthly musical magazine named "The Organist" for Miss Browne who plays our organ. This magazine contains an assortment of splendid classical numbers for the organ preludes and offertories, etc. I am sure we appreciate this assistance given by the Messenger Society and also the splendid work they have been doing in calling in so many homes.

I am glad to present the names of Willis H. and Lavina Fields who request membership with us in this Church.

Sincerely

Frederic E. Carter, pastor.

{end of the Pastor's Report}

After much discussion, the Meeting decided to see how well the plan would succeed of having Sunday School and church services together the first Sunday in each month. This plan to be adopted for the present.

The first meeting of the year, the Young Friends Guild were invited and we were entertained with songs and readings by some of their members.

We also sponsored the reception for the Pastor and family, conducted one evening service, and entertained the various musical organizations of the church with a supper.

Committee has had two call meetings in last quarter and discussed important business pertaining to our Sunday School.

The young married people of our school have organized a class of 19 members to start with and named the class "Golden Band" with Frederic Carter teacher.

We the committee recommend the Bible School buy 50 more song books to supply the need of the school and church, either by special collection or order on the Sunday School Treasurer.

Various classes of the school have had social gatherings and the Primary department as a whole had a Halloween social.

The one great goal the church and Sunday School is striving for is to get people to see the better side of life and take Jesus Christ as their friend and Savior and we are all certainly glad for such a fine member as took this stand during the Joint Campaign of the 5 churches just recently. One member of the Service Class found his Savior while at home, not being able to attend the great campaign only a few times and that at the beginning. Two came forward in Harry Robinson's class one Sunday morning. A list of all the names of the pupils with their addresses has been prepared by the Primary Superintendent and given to our Pastor."

All the above reports were accepted by the Meeting and following a discussion concerning the procuring of 50 more song books for the church, the Quaker Girls volunteered to buy same, which was highly appreciated by the Meeting.

The Treasurer reported all bills paid to date and \$116.44 on hand, and mentioned a bill of \$25.00 for cleaning the Main St. Church of Christ after the meetings, our church to pay 1/5. The motion was carried that an order be drawn on our Treasurer for same.

The Press Correspondent reported one article sent in to the "American Friend" for publication and one article being prepared. The Meeting very much appreciates the work done by this committee.

The following were named as delegates to next Quarterly Meeting: Frances Robinson, Reva Martz, Delight Jones, Marvin Thornburg and Lou Keys. Also the following young people were named as delegates to Young People's Meeting: Pauline Alexander, Ruth Macy and Gordon Keys.

Rev. Carter reported having ordered some literature for the peace program, 200 copies at a total cost of \$2.50. It was moved and seconded that an order be drawn on our Treasurer for this amount. Motion carried.

Requests for membership were received from the following persons: Emerson E. Gulley, Vivian Gulley, Ruth Macy, Martha Louise Macy, Harry B. Macy, E. Lillian Macy, Pauline Alexander, Riley E. Thornburg, Evelyn Wolfe, Vernon Robinson, Mrs. Carl G. Wysong, Charles W. Moore, Alice Moore, Mildred Moore, Violet Moore and Charles Briner and Associate: Catherine Macy, Mary Macy, Miriam Regina Robinson, Robert Thomas Wysong and Thomas Helms. These persons were gladly received into membership with us.

The following persons were appointed to call upon these new members and welcome them into membership with us: Rev. Carter, Reva Martz and Dona Fixel to call upon Mr. and Mrs. Gulley; Lee Mendenhall and wife on the Moore family; Jennie Miller and Lou Brooks on Thomas Helms; Rev. Thornburg; Pauline Alexander and Ruth Macy on Evelyn Wolfe; Mr. and Mrs. Marvin Thornburg on Vernon Robinson and daughter; Harry Robinson and wife on Mrs. Carl Wysong and son, and Pauline Alexander being present at the Meeting was welcomed into membership with us.

The Pastor gave an account of the work done, reporting Ethelyn Brown having consented to take charge of the choir and Frances Thornburg to play the organ.

There being no further business, the Meeting adjourned to meet at the usual time and place in next month. Dismissed by prayer by John W. Pickett.

I went to Anderson and gave an address at a Father and Son banquet. Attended 3 Kiwanis Meetings, one of which was a Ladies night, took Mrs. Carter and I think she enjoyed most of the program. Winchester Monthly Meeting of Friends held March 6, 1929, was opened by prayer by John W. Pickett.

The minutes of last Meeting were read and approved.

It being suggested that the Finance Committee wished some action taken as to sending out Easter envelopes, a motion was made that the Finance Committee be given the privilege of sending to each member of the church such a letter as they saw fit and enclosing therewith an envelope for a special Easter offering. This motion carried.

The plan was approved of having vesper services in our church while our Pastor was holding revival services at Farmland, in this way making it possible for him to attend our services before going to Farmland.

The Pastor's report was read and was of much interest to the Meeting.

{the Pastor's Report (typewritten on Friends Church letterhead) originally appeared on separate pieces of paper and is inserted here into the minutes}

3 - 6 - 1929.

To the Winchester Monthly Meeting of Friends.

G r e e t i n g s,-

As you sit in your Monthly Meeting tonight I am in the midst of my first service of a revival effort at Farmland Friends Church. I am taking this opportunity to ask that the Friends of my own beloved meeting pray very earnestly that this revival may be a great success for the sake of many who have not accepted Christ. This kind of success will, I am sure, be to His Glory. And when we are through we will all have a share in the victory which I believe He will give, and we will be sure to give all the praise and glory to His Most excellent name.

I deem this opportunity to hold the Farmland Meetings a good opportunity to fulfill the concern which has been on my heart for my own home Quarterly Meeting - a concern closely akin to the one which brought me back from the west to serve the Winchester Meeting as pastor, and I feel sure you join with me and sympathize with this concern.

As you know I had the privilege of holding a revival at Anderson, Indiana, recently. During the two weeks there we have the joy of some 62 persons who sought and found Christ as their Savior. A goodly number of High School Students, men and women who were heads of families. The pastor told me that they would get some good members out of those who had been converted. Word from Anderson came to me a few days ago saying that their young people's meetings were growing and that the Sunday School had gained every Sunday since the closing of the revival.

I very greatly appreciated the reception given to me on the first Sunday night after I returned from Anderson when the new Junior Choir appeared for their first time. I also appreciate the spirit shown in the meetings for worship. I feel that the interest is good although the attendance is not all that is desired.

{2}

Since the revival at Anderson I have made a good many pastoral calls. I am glad to report that since Mrs. Carter's health seems somewhat improved that she has been doing a quiet and effective service in going into the homes, sometimes alone, and at other times with me, and again with some of the women of the church on their mission of visiting in the interests of the Church and Bible School.

I very greatly appreciate the splendid work of the Messenger Society in their calling as well as their program of work along other lines. The Choir has been well cared for by Ethelyn Brown and Mrs. Frances Thornburg has presided at the organ to the inspiration and interest of the meetings. The Bible School came back to 235 on one Sunday, this is most encouraging after our attendance has been down for some weeks because of so much sickness. I am told by other pastors of the Yearly Meeting that their attendance has suffered because of sickness the past winter more than ever before for years. So we are not alone in this.

The Ladies Missionary society met at the parsonage recently and 25 or 26 ladies were present, and a very profitable time was enjoyed by all present. The Young people's society has been meeting regularly, and have been having charge of the Sunday Evening service one Sunday night each month. This has been an inspiration to us all and I am sure a splendid training to the young people. The Bible School orchestra is doing good service. We are glad to welcome Joe Ballard and his young wife back with us. He is doing excellent work in the orchestra. I would like to recommend that as soon as possible that we give him the leadership of the orchestra and I believe we can afford to pay him for doing it.

The Young Married people's class is growing in interest and new members. Almost every meeting new members are added. However it will be noticed that the attendance recently has not kept up with the real growth of the class. It will be remembered that many of these young people have small children, and sickness in their homes has prevented them being present. I am glad to tell you that there is a strong interest among them for the work of this class and for the good of the whole school. Mrs. Vernon Overman and Daniel Peters have been faithfully and efficiently teaching the class for some weeks past.

I wish to express my appreciation for the faithful services of Mr. and Mrs. Fields in serving this church as care takers, which they have so faithfully done in the past year or more. We are sorry to have them move soon to the country, but we hope that they will be able to come to the services regularly.

Again I must express my regret over the fact that so many leave the Bible School and do not stay for the Church services. I have talked with our best pastors in the Yearly Meeting and they tell me they are having the same difficulty, but this is small comfort to me, and I think there must be some way to overcome this serious difficulty. Many who leave are the very people who need the help they might receive from the worship hour, Sunday morning. I believe that a kindly interest and invitation and encouragement by the members who do remain for the service will do much to overcome this tendency to run away as soon as the Bible School is over,

I am glad that the Ministry & Oversight body came together for a short conference recently. I very earnestly recommend that we do so regularly each month. We need to get together every month that we may talk over the

problems of the Church and also come to understand the discipline better. I also feel that the Bible School committee should meet once every month, and better every week.

Since there is to be a Bible School Conference next Sunday evening at the Main Street Church, and all the churches are invited to unite I suggest that instead of our having the vesper services here next Sunday evening as we had planned that we drop that and go to the Conference at the Main Street Church. But that on the following Sunday we have a vesper service at 5 o'clock, and I will bring a message at that time.

I have secured a two reel film for the Sunday Night of the 24th which is a scientific presentation of the detrimental effects of tobacco on the human body. This film is put out by the Battle Creek sanitarium and has been shown in some of the leading Friends churches in Indiana and Ohio. Dr. H.C. Bedford of the Main Street Friends Church in Richmond recommends it as being very good. This will be under the auspices of the Young people's society of this church. I would like to ask that a silver offering be taken that night and any amount left after the expenses of the film showing is paid, be given toward the music of the church.

During the next two weeks and a half I will be at Farmland of evenings and possibly 4 afternoons each week, but will be in my study most of the time during the mornings, and will keep in close touch with the Winchester Meeting and make such calls as may be necessary because of sickness. I will be in my own pulpit next Sunday Morning and think I will be with you again the following Sunday morning. Again I ask that you link yourselves to this Farmland effort by prayer and attendance when ever you can come over.

Sincerely, Your pastor.

After much discussion, the Meeting voted to secure the services of Mrs. Fetters, and pay her the above amount out of the treasury.

{the following is typewritten}

To Winchester Monthly Meeting of Friends,-

About a month ago our pastor, Frederic E. Carter, presented a concern to a called meeting of the Ministry & Oversight body together with the Trustees and the Finance Committee.

Namely,-

In view of the fact that the pastor's time is needed for study, and the ministry of the Word, and the pastoral calling needful in this field, he feels the need of the services of some one who can give their full time to the work of directing the activities of the young people, and assisting in the Bible School and Church work.

This concern was favorably received by those present and all except one present spoke favorably to the proposition. After considerable prayerful thought and counsel the matter was brought again to the meeting of Ministry & Oversight at their regular quarterly meeting 8th month 7th, 1929 and that body hereby recommends this concern to the Monthly Meeting, and further recommends that Mrs. Laura Fetters be called to help us with this task. We further recommend that the sum of \$25.00 per month be paid to her by the Treasurer of the Meeting.

Mrs. Fetters is a minister of the Gospel in good standing in the Friends Church, having served as pastor and evangelist in our society for several years. She has also served in the capacity of director of the Daily Vacation Bible School for the past 3 years in Winchester under the direction of the Ministerial Association, and has given excellent satisfaction. And we feel that since she has an earnest concern for this kind of work in our midst we are fortunate to be able to secure her services.

Respectfully submitted

Clerk of Ministry & Oversight Body
of Winchester Monthly Meeting of Friends

Winchester Monthly Meeting of Friends was held October 9, 1929, having been postponed one week from regular meeting date on account of Yearly Meeting.

The minutes of last Meeting were read and approved.

A report was given of the last Quarterly Meeting, also a report of Yearly Meeting, both of which were of much interest to the Meeting.

The Pastor gave a very interesting report of his work and among other things suggested that we were in need of a choir leader, and music for the organist and asked for our cooperation in these matters. He also mentioned that we were in need of a vacuum cleaner, but this matter was left for the Trustees to dispose of.

The Pastor informed the Meeting that he had been asked to help in a series of meetings the first of November at Fairmont. The Meeting readily gave its consent that he might help with these meetings.

There being no further business, the Meeting adjourned to meet at the usual time and place in next month. Dismissed by John W. Pickett.

The following persons were named as delegates to Quarterly Meeting: Ida Bailey, Alice Kabel, Jennie Miller, Allen Miller, John W. Pickett and Vada Coon.

The delegates from Young Peoples Meeting were appointed as follows: Mary Marjorie Dudley, Frances Keys, Frances Robinson, Ruth Macy and Eloise Wolf.

The Ladies Aid gave the following report, which was accepted by the Meeting:

Total	154.69
Total checks since Aug. 5	<u>11.25</u>
Balance in treasury	\$143.44”

There being no reports from the Sunday School, Messenger Society, Missionary Society or Quaker Girls, these reports were left over until next month.

The Treasurer reported the church in debt \$100.00 and not enough money coming in to meet bills.

A communication was received from the Committee of Religious Education of Indiana Yearly Meeting that November 17th was set aside as a day of prayer. Laura Fetters made comment upon this subject, which was of much interest to the Meeting.

The chairman of the Music Committee informed us that our organist wanted \$12.00 a month and furnish her own music or \$10.00 and month and the church furnish music. In view of the fact that we are in debt, the Meeting did not feel that this increase in salary could be allowed at present. After much discussion, the Music Committee was appointed to look into this matter and report at next Meeting.

Our Pastor being at Fairmount, a very interesting report was read of his work, which was accepted by the Meeting.

{the typewritten Pastor's Report originally appeared on a separate piece of paper and is inserted here into the minutes}

REPORT OF PASTOR
for
Month Ending Nov. 6th - 1929

You will remember that the Monthly Meeting was held last month on October 9th. This was a week later than the usual time, owing to it being postponed one week because of Yearly Meeting.

There have been 8 preaching services and 4 prayer meetings. We are glad to report a gradual increase of attendance at the Sunday School. The Morning services have been well attended. The Evening services have been fairly well attended, and the prayer meetings not very well attended. One of our prayer meetings was held with the Presbyterians at their church.

At the United Service last Sunday Morning there were about 240 present for the short preaching service. An interesting feature of the work which was started the past month is the Junior Church service held in the basement under the leadership of Mrs. Fetters and others. There were 65 present. These attended of their own choice and remained attentive throughout the service.

The Young people's services have been started again at 6 o'clock. The program for the year's work has been patterned after the one they followed last year. The young people had charge of one evening service. The pastor bringing the message on, "Arithmetic in Religion."

During the past month there has been a Sunday School Committee meeting and also one teacher's meeting at the home of Dan Bailey. We were encouraged because of so many of the Winchester Friends attended the White River Township Convention at Mt. Zion the Sunday afternoon of the 27th. Our delegation was the largest of any school present.

The interest of this church in missions the past month has also been very encouraging. There have been several conferences of the local Missionary committee to plan for the year's work. Mrs. Carter and several ladies of the church attended the Yearly Meeting's missionary conference held at Spiceland last week. The pastor is one of the new members on the united board of

missions of Indiana Yearly Meeting and spent the day in Richmond recently attending its first board meeting of the year to plan the work.

During the past month the social side of the church has not been neglected. The Boy's Class, the Golden Band Class, and the Young People's society all have held socials. And there was held a general get-together social of the church on Tuesday night. This was Indian Night. Rev. Charles O. Whitely was present and gave an interesting talk on the Indian work which is under the supervision of the Friends Church of America. The Messenger Society and the local Missionary society also held their regular Monthly Meetings.

The Pastor reports 90 calls made and one wedding.

{end of the Pastor's Report}

The Clerk was directed to inform the Finance Committee that a report should be forthcoming at next Meeting and that funds should be raised to carry on the church.

There being no further business, the Meeting adjourned to meet at the usual time and place in next month. Dismissed by Laura Fetters.

Winchester Monthly Meeting of Friends held December 4, 1929, was opened by singing the hymns "Take Time to be Holy" and "I'll Live for Him." Scripture was read by Harry Robinson, followed by a season of prayer.

The minutes of last Meeting were read and approved.

The Messenger Society reported that this month's meeting was postponed on account of sickness.

The following report was given by the Quaker Girls, which was accepted.

For the months of September and October we made 101 calls and sent 102 bouquets.

The Music Committee reported that the organist would accept \$2.00 per Sunday. The Committee did not feel they could take the responsibility of hiring the organist at this price. The Meeting decided to ask organist to fill her place at \$2.00 a Sunday until the first of the year and then decide definitely what should be done. The Meeting also decided that she should be paid \$2.00 per Sunday for November and December.

There was no report from the Finance Committee.

The Treasurer's report was read and a discussion had regarding the finances of the church. Nothing definite could be done until the Finance Committee reported.

The following report was given by the Missionary Society and accepted by the Meeting.

“The Missionary Society of Friends Church wishes to make the following brief report.

While we have held only two meetings in the new year, an added interest and desire to build and do more seems to be the thought of every member.

On Nov. 5, 1929 the Society gave an entertainment and social to the members of the church. Charles O. Whiley gave a most interesting talk of our Indian Missions and Indian life, followed by a pageant and refreshments during the social hour.

We hope to study one Mission field a month, in this way taking a different country each time. Hoping to create interest throughout the church.

Several members attended the Women's Conference of the Missionary Union of the Yearly Meeting at Spiceland, October 30, bringing a wonderful and inspiring report to members at home.

The Women's Missionary Society of the Friends Church”

A report of Young Peoples Quarterly Meeting was given by Mary Marjorie Dudley. Everyone was very well pleased with this report.

There being no further business, the Meeting adjourned to meet at the usual time and place in next month.
