

WINCHESTER MONTHLY MEETING MINUTES

1935-1939

Notes to the reader about the transcription of these minutes:

While most of the grammar, spelling, and abbreviations were kept as close as possible to what is handwritten in the original Preparative Meeting Minutes, corrections and changes have been made to improve the readability of the minutes. Curly brackets are used to surround words or parts of words that the editors could not read or decipher: { ? }, {?ene}, {Parkin?}. Curly brackets are also used to enclose editorial notes and changes made by the editors.

Parentheses are shown as they are found in the original minutes.

Blanks in the text are shown as they are found in the original minutes.

The spelling of names has been corrected wherever obvious misspellings have been found. Otherwise, the names are spelled as they appear in the minutes. Please note that sometimes several variations of the same name do occur.

Corrections and clarifications to people's names will be welcomed by the editorial staff. The goal is to make these minutes clear, accurate, and above all, useful to the reader.

The item of the Mary A. Clark will was read as follows:

“In memory of my sisters, Eunice R. Mendenhall and Asenath Clark and my brother William D. Clark, I give the sum of one Hundred (\$100) Dollars to the Friends Church of Winchester, Indiana, to be used by the Trustees of said church for such purposes as they may find at that time to be to the best interest of said church.”

This gift was accepted with thanks and appreciation by the Meeting.

Aaron Napier made an announcement concerning the possibility of changing the night of prayer meeting. He explained that the principal of the High School, William Kingsolver, suggested to the Ministerial Association that if all the churches in the city would choose one night for their prayer meetings the school would cooperate by not having any activities on that night to interfere. The Meeting gave Aaron consent to decide what was best for the common good about any change in the schedule.

Lee Mendenhall, a Trustee of the Sustaining Fund, gave a report of expenditures of last year and gave the Meeting a very good report of the Fund. The opinion was expressed that this Meeting has no cause for worry about funds as long as they have such capable Trustees.

As there was no further business, the Meeting was closed to meet again at the same time and place in February.

To Winchester Monthly Meeting:

{typewritten} The pastor has given several Peace sermons during the year.

Dr. Harold Cooper gave a powerful peace message to a large audience of Friends and non-Friends.

Armistice Day was observed in accordance with Christian ideals of world fellowship.

The peace lessons have been emphasized in Bible School.

Report of Peace and Service in Winchester Meeting.

Upon the request of several people, Aaron and Inez Napier, Harry and Alice Peacock gave a comprehensive description of the work of the American Friends Service Committee as they saw it at Penncraft. Their reports gave us a

better understanding of the Service Committee and created a new interest in their work.

Margaret Jones, who was sent to Europe by the A.F.S.C. to visit the Good Will Centers, showed the pictures she took there to the entire Bible School and she spoke at the meeting for worship which followed. Her pictures and talks were well received.

Several delegates from our Meeting attended the Regional Conference on Peace which was held at Winchester for Winchester and Portland Quarters.

The Golden Band Class sponsored a meeting for Dan West who did Relief work in Spain with Friends. The entire Meeting was invited, also the nearby Meetings in the Quarter and some non-Friends who were interested.

The Missionary Society let the children of the Bible School pack a suitcase for a little Spanish Refugee boy.

Kirby Page's book, "Must We Go To War", is being circulated among the members of the Meeting.

The pastor has given a Peace talk at least once each Quarter.

The Armistice Day and Decoration Day Sermons were especially fitted to Friendly ideals of Christian Brotherhood.

The subject of Peace has been stressed at opportune times in the Bible School lessons.

Various Peace pamphlets and literature on the War Referendum has been distributed to the adult classes.
